Deductions for an individual employee shall continue to be made until and including the payroll period during which the Director of Administrative Services has received from the employee a written statement signed by him revoking his deduction authorization.

5.2 The Association shall deliver to the office of the Director of Administrative Services a written notice, signed by the Association, of the amount of dues and the amount for each SRNA insurance premium to be deducted per payroll period for any or all of the following types of insurance: term life, accident and sickness, and supplemental life. The Director of Administrative Services shall transmit in one check total amount of dues deducted and in one further check the total amount of SRNA insurance premiums deducted and a list of the employees for whom the deductions were made, to the Association within thirty (30) calendar days after each payday on which deductions are made. The Association shall provide the District in writing with the name of one designated insurance entity to which insurance premium deductions shall be remitted, and an address for remittance. There will be only one such designated entity in effect at any time. The Association must provide such written designation at least 30 days prior to the commencement of a fiscal year, and such designation shall remain in effect (and the designated entity may not be changed) for the duration of the succeeding fiscal year.

ARTICLE 6

SRNA RIGHTS AND BOARD PREROGATIVES

6.1 **Professional Rights** - SRNA members shall not suffer any professional disadvantage by reason of membership or non-membership in any local, county, state or national nurses' association or participation or failure to participate in such organizations' lawful activities.

6.2 Employee's Mailboxes - The SRNA shall have the right to place notices and circulars concerning SRNA business in the employee's mailbox. Said notices and circulars shall be given to the Building Principal prior to distribution.

6.3 Use of School Buildings - The SRNA will have the right to use school buildings at reasonable times for meetings of its SRNA members and their guests, which meetings will be structured and controlled by the SRNA, subject to the approval of the Superintendent. Application for approval will be in accordance with the established policies of the Board and will require the completion and submission of the forms in advance of the meetings to the Superintendent. SRNA meetings shall not be held during the regular school day.

6.4 Board Agenda - The Board shall provide the SRNA with an agenda of the Board meetings and also copies of any pertinent and public information at least one day prior to the meetings, and also with a copy of official minutes of Board Meetings as soon as possible after such meetings.

6.5 Board Prerogatives - The Board reserves and retains solely and exclusively all of its inherent rights to manage the District as such rights existed prior to the Execution Date of this Agreement, except to the extent that they are modified by express provisions of this Agreement or are contrary to law. The sole and exclusive rights of the Board include but are not limited to: its right to establish, continue, change, or abolish any or all of the Board's policies, practices, rules, regulations and procedures as they relate to the operation of its schools and programs; to determine the number, location, hours and types of its operations; to establish or discontinue programs or operations; except as expressly provided elsewhere in this Section 6.5, to determine to what extent the required work shall be performed by employees covered by this Agreement; to determine the number and duties of employees; to determine the necessity for filling a vacancy; to determine the methods, processes, equipment and materials to be used in the school operation; to judge the efficiency and competency of employees; to establish and maintain a job evaluation program; to establish and change work assignments; to select, hire, direct, transfer and promote employees; to layoff employees because of the lack of work or for budgetary reasons; to establish, change, and enforce rules for the conduct of employees; and to discipline and discharge employees, consistent with Sections 75 and 76 of the Civil Service Law, except as expressly provided elsewhere in this Section 6.5.

The District agrees that it shall not (except in order to engage temporary or substitute services) contract out for, or engage non-bargaining unit personnel to provide, regular full-time school nurse services that are, as of the time of ratification of this agreement, currently provided during the regular school day in the District's high school building, middle school building, intermediate school building and elementary school building. However, the District is authorized to contract out for, or engage non-bargaining unit personnel to provide, other registered nurse services, including but not limited to part-time school nurse services, nursing services to be provided in connection with field trips, extra-curricular activities, or co-curricular activities, or in school buildings other than the buildings referenced in the preceding sentence. Additionally, this paragraph shall not preclude the District from subcontracting or assigning work to non-bargaining unit

personnel, as authorized under law, in the event of emergency or exigent circumstances.

The reference in the first paragraph of this Section 6.5 to the District's authority to change work assignments shall not alleviate the District from its obligation to engage in impact bargaining, upon demand, as required by law.

Discipline and discharge shall be handled consistent with Sections 75 and 76 of the Civil Service Law, except that an appointed hearing officer shall be jointly selected by the parties instead of unilaterally selected by the board of education. The parties shall engage the services of the American Arbitration Association (AAA), only for the purpose of providing list(s) of prospective hearing officers, and administering a hearing officer selection process, in accordance with the rules of AAA. After the hearing officer is selected in accordance with such procedures, the provisions of Civil Service Law Sections 75 and 76 shall control and pertain to the remainder of the proceedings. If AAA ceases operations, then the parties shall engage the services of the Public Employment Relations Board (PERB) for such hearing officer selection services. The costs and fees of AAA (or PERB) and the hearing officer shall be divided equally between the district and the union, respectively. In all other respects, the parties shall be responsible for their own costs and expenses in connection with the disciplinary proceeding.

6.6 School Calendar - The SRNA shall follow the teacher's calendar. For purposes of per diem calculations, the number of days in the work year (10 months) shall be 200.

ARTICLE 7

7.2 Right to Representation - Both parties shall have the right to be represented at any stage of the procedure by a person or persons of his/her own choice. A stenographic record or tape recording may be made upon request of either party to the grievance. The aggrieved party shall be present at all stages of the grievance procedure.

7.3 Grievances Registration and Decision-Rendering Procedure

(A) Stage One: Immediate Supervisor: Informal

The aggrieved employee may request an informal discussion to resolve potential grievances. A SRNA representative shall not necessarily be

present. Resolutions at the informal stage shall not be precedent unless agreed upon by the parties.

(B) Stage Two: Immediate Supervisor: Formal

Time Limit: A grievance must be filed within twenty (20) work days after the day of the occurrence giving rise to the allegation of a contract violation that is the subject of the grievance. Compliance with the foregoing limitations period shall be a condition precedent to submission of a grievance to arbitration.

(C) Stage Three: Superintendent

Failure of satisfactory resolution in Stage Two permits the aggrieved employee or the SRNA to submit to the Superintendent within five (5) workdays of the answer at Stage 2. The Superintendent, or his or her designee, shall schedule a meeting with SRNA within ten (10) work days of the filing at Stage 3 and shall issue an answer within ten (10) work days of such meeting.

(D) Stage 4: Arbitration

The written appeal and submission to arbitration must be to the American Arbitration Association (AAA). Arbitration shall proceed in accordance with and be governed by the voluntary labor arbitration rules of the American Arbitration Association (AAA), to the extent that such rules do not conflict with the terms and provisions of this contract. Each grievance must be appealed and submitted to arbitration in a separate proceeding, unless the parties mutually agree otherwise. The arbitrator shall decide only the issue submitted, and may grant relief to the grievant only upon finding a contract violation. The arbitrator shall strictly limit his or her decision to an interpretation of the relevant terms and provisions of this contract. The arbitrator shall be without authority to add to, subtract from or modify the terms of this contract. The arbitrator shall be without power to make any decision that is contrary to the terms and provisions of this contract or applicable law.

The fees and expenses of the arbitrator and AAA shall be shared equally by the parties. If either party desires to have a verbatim transcript made of the proceedings, then that party shall cause such a transcript to be made, at its own expense, and shall furnish a copy of the transcript to the arbitrator and the other party. If both parties desire such a transcript, then each party shall pay for its own copy and equally share the cost of the arbitrator's copy. All other costs and expenses occasioned by the arbitration proceedings shall be borne by the party that incurs such costs or expenses.

7.4 The provisions of this Article Seven (7) shall constitute the sole and exclusive means and procedure for seeking redress of an alleged violation of this agreement.
